

Class Actions

Asterion, Inc. (“Asterion”) has experience in assisting businesses, law firms and individuals during the class action process.

Do you:

- *Need assistance with evaluating class certification parameters including: numerosity, commonality, typicality, adequacy, fairness and efficiency of adjudication method?*
- *Need to understand the quality of damages available to the various potential class members?*
- *Need an economic model that properly assesses damages across a class?*

We can help with:

- Assessing damages and criteria for class certification from a financial point of view.
- Developing financial models to accurately report damages across the class.
- Analyzing documents prior to and during discovery.
- Evaluating economic and industry conditions and their impact on the damage calculation.
- Evaluating damage models and preparing exposure analyses.
- Reviewing and rebutting of opposing expert reports.
- Settlement analyses and expert witness testimony.
- Claims processing and administration.
